### **Weekend Lane Closures Scheduled for Work on South Metro Express Lanes**

**What:** Construction activities continue to progress on the new Georgia Express Lanes on Interstate 75 south of Atlanta. This week the contractor will be working on Interstate 75 north and southbound at multiple locations between SR 20/81 and Interstate 675. Weather permitting; work will be performed within 2 mile increments of installed lane closures. Drivers are urged to slow down and proceed cautiously throughout these work zones.

**Advisory:** Motorists should expect heavy congestion throughout the entire 12 mile work zone area. Alternate routes are available and should be considered.

**When and**

**Where:** Work will occur as follows:

- **I-75 Southbound**

Sunday, February 7 through Monday morning, February 8  
Single right lane and shoulder closures for overhead sign installation near Exit 218; SR 20/81  
9 p.m. until 7 a.m.

Sunday, February 7 through Friday morning, February 12  
Single right lane and shoulder closures for removal of existing barrier walls near Exit 227; I-675  
Nightly, 9 p.m. until 7 a.m.

Friday, February 12 continuously through Monday morning, February 15  
Single right lane and shoulder closures for removal of existing barrier walls near Exit 227; I-675  
Continuously, 9 p.m. until 7 a.m.

- **I-75 North and Southbound**

Monday, February 8 through Friday morning, February 12  
Single left lane and shoulder closures for overhead sign foundation installation near Exit 228; SR 138  
Nightly, 9 p.m. until 5 a.m.

Friday, February 12 continuously through Monday morning, February 15  
Single left lane and shoulder closures for overhead sign foundation installation  
near Exit 228; SR 138  
Continuously, 9 p.m. until 7 a.m.

Motorists are advised to slow down and proceed with caution through this area; workers  
and heavy equipment will be in close proximity to the roadway.
